

WHY REGISTER

Your convention registration is used to pay for the hotel and convention facilities, associated services for equipment, maintenance, printing of your registration packets and administrative expenses.

We believe that once you understand that it is the fee from your registration that makes this event possible, and that the registration funds collected are used for the planning and implementation of present and future Northern California conventions, the reasons for registering become clear.

It is the support of each member's registration or donation that helps make our convention a success.

Thank You,
Northern California Convention
of Narcotics Anonymous
